The Northstar Fire Department is accepting applications for Seasonal Firefighter/EMT or Paramedic

Northstar Fire Department

The Northstar Fire Department (NFD) is an “all-risk” department. It provides fire suppression, fire prevention, rescue, public education, public assistance and advanced life support. NFD is a small, progressive department located in the community of Northstar, at the Northstar Ski Resort, six miles north of Lake Tahoe in California. NFD is a non-transporting ALS provider. The department has been serving the Northstar community since 1972. Its boundaries cover approximately 5 square miles with a sphere of influence of approximately 18 square miles. NFD operates as an independent special district under the Northstar Community Services District (NCS D). The NCS D is managed by a general manager and a five-member board of directors.

Northstar Fire Department has 2 stations, 19 full-time employees and 8 seasonal employees.

The Philosophy

The Northstar Fire Department employees care about the community and their fellow employees. The community is highly supportive of the fire department. The department takes great pride in offering excellent and caring service that goes above and beyond its customers’ expectations.
