I. INTRODUCTION

Northstar Community Services District Community Facilities District No. 1

On May 3, 2005, the Board of Directors (the “Board”) of the Northstar Community Services District (the “CSD”) established the Northstar Community Services District Community Facilities District No. 1 (“CFD No. 1” or the “CFD”) and authorized bonded indebtedness not to exceed \$125,000,000. Northstar Mountain Properties, LLC (“NMP”), the sole owner of taxable property within the CFD at that time, voted to authorize the levy of a Mello-Roos special tax on properties within the CFD. On November 16, 2005, the Board adopted the Resolution Authorizing the Sale and Issuance of Special Tax Bonds for the Series 2005 Special Tax Bonds (the “Series 2005 Bonds”) and on December 20, 2005, special tax bonds in the principal amount of \$56,125,000 were issued on behalf of the CFD. On November 28, 2006, the Board adopted the Resolution Authorizing the Sale and Issuance of Special Tax Bonds for the Series 2006 Special Tax Bonds (the “Series 2006 Bonds”) and on December 20, 2006, special tax bonds in the principal amount of \$58,590,000 were issued on behalf of the CFD.

On June 26, 2014, the Board adopted the Resolution Authorizing the Sale and Issuance of Special Tax Refunding Bonds for the Special Tax Refunding Bonds, Series 2014 (the “Series 2014 Refunding Bonds”) and on July 30, 2014, special tax refunding bonds in the principal amount of \$19,320,000 were issued on behalf of the CFD. The Series 2014 Refunding Bonds were used, together with available funds, to refund \$21,140,000 of the Series 2005 Bonds and Series 2006 Bonds. In total, \$114,715,000 of the \$125,000,000 authorized amount of special tax bonds have been issued on behalf of the CFD, excluding the Series 2014 Refunding Bonds. The outstanding Series 2005 Bonds, Series 2006 Bonds, and Series 2014 Refunding Bonds are collectively referred to as the “Bonds” in this report.

Property in CFD No. 1 consists of approximately 456 gross acres west of State Highway 267 in the County of Placer, in the area known as Northstar-at-Tahoe. Development within the CFD is expected to be concentrated on less than 28 net acres and is expected to include approximately 350 luxury residential units and 110,000 square feet of commercial space located in The Village, and approximately 1,450 residential units and a 255-room luxury hotel in the area known as The Highlands. Initially, the Rate and Method of Apportionment of Special Tax (the “RMA”), which was adopted when the CFD was formed, included several tiers of taxation based on stages of entitlement. The RMA was subsequently revised, and on May 24, 2011, the qualified electors approved the Amended and Restated Rate and Method of Apportionment of Special Tax (“Amended and Restated RMA”). The Amended and Restated RMA redistributed the special tax obligation to parcels based on their anticipated land use at buildout. Beginning in fiscal year 2011-12, special taxes will be levied in CFD No. 1 pursuant to the Amended and Restated RMA.

The Mello-Roos Community Facilities Act of 1982

The reduction in property tax revenue that resulted from the passage of Proposition 13 in 1978 required public agencies and real estate developers to look for other means to fund public infrastructure. The funding available from traditional assessment districts was limited by certain

requirements of the assessment acts, and it became clear that a more flexible funding tool was needed. In response, the California State Legislature (the “Legislature”) approved the Mello-Roos Community Facilities Act of 1982 (the “Act”), which provides for the levy of a special tax within a defined geographic area, namely a community facilities district, if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities, and special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency’s general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

III. SPECIAL TAX REQUIREMENT

Pursuant to the Amended and Restated RMA, the Special Tax Requirement means the amount necessary in any fiscal year to (i) pay principal and interest on bonds, (ii) create and/or replenish reserve funds for bonds, (iii) cure any delinquencies in the payment of principal or interest on bonds which occurred in the prior fiscal year or, based on delinquencies in the payment of special taxes which have already taken place, are expected to occur in the fiscal year in which the tax will be collected, and (iv) pay administrative expenses of the CFD. The amounts referred to in clauses (i) and (ii) of the preceding sentence may be reduced in any fiscal year by: (i) interest earnings on or surplus balances in funds and accounts for the bonds to the extent that such earnings or balances are available to apply against debt service pursuant to a bond indenture, bond resolution, or other legal document that sets forth these terms, (ii) proceeds received by CFD No. 1 from the collection of penalties associated with delinquent special taxes, and (iii) any other revenues available to pay debt service on the bonds as determined by the Administrator.

For fiscal year 2020-21, the Special Tax Requirement is \$12,513,778 and is shown in the table below:

Debt Service Due in 2021	
Series 2005 Bonds	\$4,023,520
Series 2006 Bonds	\$2,099,750
Series 2014 Refunding Bonds	<u>\$1,683,500</u>
Total Debt Service Due in 2021	\$7,806,770
Administrative Expenses	\$193,326
Reserve Fund Replenishment	\$4,513,681
Rounding Adjustment	\$1
Fiscal Year 2020-21 Special Tax Requirement	\$12,513,778

IV. SPECIAL TAX LEVY

Special taxes within CFD No. 1 are levied pursuant to the methodology set forth in the Amended and Restated RMA. Among other things, the Amended and Restated RMA establishes various special tax categories against which the special tax may be levied, the maximum special tax rates, and the methodology by which the special tax is applied. (*Capitalized terms are defined in the Amended and Restated RMA in Appendix C of this Report.*)

Special Tax Categories

The Amended and Restated RMA classifies each parcel in the CFD as either a Designated Developed Parcel or a Future Development Parcel. Special tax categories are also established, including Residential Property and Non-Residential Property. Residential Property means all or a portion of any parcel that is planned for, or has had one or more buildings constructed that: (i) include one or more residential units, or (ii) are apartment buildings. Non-Residential Property means all or a portion of any parcel that is planned for, or has had one or more buildings constructed that are used for or are expected to be used for, a retail, commercial or hotel use. Residential Property is further classified as Single Family Detached Units, Townhome Units, and Condominium Units. Base special tax rates for these categories are shown on the following page.

- A **Single Family Detached Unit** means any individual residential dwelling unit that does not share a common wall with another residential dwelling unit.
- A **Townhome Unit** means an individual residential dwelling unit that (i) shares one or more common walls with another residential dwelling unit, (ii) is physically attached to the land underneath the unit, and (iii) the fee simple land underneath the unit is or will be conveyed with each such unit.
- A **Condominium Unit** means (i) a residential condominium as described in Civil Code Section 1351(f), and (ii) any residential dwelling that is not a Single Family Detached Unit, a Townhome Unit, or included within an Apartment Building, as determined by the Administrator.

Developed Property is defined for Residential Property and Non-Residential Property as follows: Residential Property is Developed Property when a Building Permit is issued for the parcel prior to June 1 of the preceding fiscal year; for Non-Residential Property, it is considered Developed Property when a certificate of occupancy is issued for a non-residential structure prior to June 1 of the preceding fiscal year. Undeveloped Property is taxable property that is not classified as Developed Property.

Maximum Special Tax Rates

The maximum special tax for each Designated Developed Parcel is identified in Attachment 1 of the Amended and Restated RMA and is subject to a 2% increase each fiscal year. The maximum special tax for each Future Development Parcel at the time the Amended and Restated RMA was adopted is identified in Attachment 2 of the Amended and Restated RMA. The maximum special tax for each Future Development Parcel will be reallocated and recalculated at certain trigger points as outlined in Section C of the Amended and Restated RMA.

When any portion of a Future Development Parcel is subdivided or reconfigured and all the newly-created parcels will be Residential Property, the Administrator shall review anticipated development plans for the parcel and determine what is entitled to be developed. The Administrator shall apply the base special tax rates below to determine the total amount for the parcel and compare this to the maximum special tax applicable to the original parcel prior to subdivision or reconfiguration.

CFD No. 1 Base Special Tax Rates

Land Use Category	Base Special Tax Fiscal Year 2020-21*
Single Family Detached Unit	\$7,170.56 per Unit
Townhome Unit	\$6,573.00 per Unit
Condominium Unit	\$5,975.46 per Unit

* On July 1 of each fiscal year, the base special taxes shown above shall be increased by two percent (2%) of the base special tax amount in effect in the prior fiscal year.

When a Condominium Plan records or when a Building Permit is issued for residential units, the Administrator shall review the square footage for each unit and will determine the Target Special Tax rate based on the table on the following page. Based on the steps outlined in Section C.2.b of the Amended and Restated RMA, the Administrator shall determine the applicable maximum special tax rate that will apply to the parcels in such fiscal year.

**CFD No. 1
Target Special Tax Rates**

Square Footage of Residential Unit	Target Special Tax Fiscal Year 2020-21*
Less than 1,001 square feet	\$4,182.82 per Unit
1,001 to 1,400 square feet	\$4,780.38 per Unit
1,401 to 1,800 square feet	\$5,377.92 per Unit
1,801 to 2,200 square feet	\$5,975.46 per Unit
2,201 to 2,600 square feet	\$6,573.00 per Unit
2,601 to 3,000 square feet	\$7,170.56 per Unit
3,001 to 3,400 square feet	\$7,768.10 per Unit
3,401 to 4,000 square feet	\$8,365.64 per Unit
4,001 to 4,600 square feet	\$8,963.20 per Unit
4,601 to 5,200 square feet	\$9,560.74 per Unit
5,201 to 6,000 square feet	\$10,158.28 per Unit
6,001 to 7,000 square feet	\$10,755.84 per Unit
7,001 to 8,000 square feet	\$11,353.38 per Unit
Greater than 8,000 square feet	\$11,950.92 per Unit

* On July 1 of each fiscal year, the Target Special Taxes shown above shall be increased by two percent (2%) of the Target Special Tax rate in effect in the prior fiscal year.

When any portion of a Future Development Parcel is subdivided or reconfigured and all of the newly-created parcels are Non-Residential Property, the Administrator shall review anticipated development plans and determine the future square footage. The Administrator shall apply the Base Non-Residential Special Tax rate of \$0.42 per square foot for fiscal year 2020-21 to determine the total amount for the parcel. By applying all the steps in Section C.2.c of the Amended and Restated RMA, the Administrator shall determine the applicable maximum special tax for each parcel.

Other situations relating to changes in Future Development Parcels, including whether a subdivision will include both Residential Property and Non-Residential Property, are described in Section C.2 of the Amended and Restated RMA, which is included in Appendix C of this Report.

Backup Special Tax

If, in any fiscal year, it is determined that additional tax revenue is needed in order to meet the Special Tax Requirement, a Backup Special Tax shall be levied pursuant to Step 4 of Section D of the Amended and Restated RMA on all parcels of Undeveloped Property. The Backup Special Tax rate equals \$689,084.60 per acre for Undeveloped Property in fiscal year 2020-21. On each July 1, the Backup Special Tax shall be increased by an amount equal to two percent (2%) of the amount in effect for the prior fiscal year.

Apportionment of Special Taxes

Each fiscal year, the special tax shall be levied as follows until the amount of the levy is equal to the Special Tax Requirement for that fiscal year:

- Step 1: In any fiscal year from fiscal year 2011-12 through fiscal year 2024-25, in which the Purchase Price has not yet been paid, levy the special tax on each parcel of Developed Property that is Residential Property at 100% of the maximum special tax for each parcel for such fiscal year. Beginning the earlier of (i) the fiscal year after the fiscal year in which the entire Purchase Price has been paid, or (ii) fiscal year 2025-26, the special tax shall be levied proportionately on each parcel of Developed Property that is Residential Property up to 100% of the maximum special tax for Residential Property for such fiscal year until the amount levied equals the Special Tax Requirement.
- Step 2: If additional revenue is needed after the first step in order to meet the Special Tax Requirement, the special tax shall be levied proportionately on each parcel of Developed Property that is Non-Residential Property up to 100% of the maximum special tax for such fiscal year until the amount levied equals the Special Tax Requirement.
- Step 3: If additional revenue is needed in order to meet the Special Tax Requirement, the special tax shall be levied proportionately on each parcel of Undeveloped Property up to 100% of the maximum special tax for such fiscal year until the amount levied equals the Special Tax Requirement.
- Step 4: If additional revenue is needed after Step 3 in order to meet the Special Tax Requirement, the Backup Special Tax shall be levied proportionately on each parcel of Undeveloped Property up to 100% of the Backup Special Tax for such fiscal year until the amount levied equals the Special Tax Requirement.
- Step 5: If additional revenue is needed after Step 4 in order to meet the Special Tax Requirement, the special tax shall be levied proportionately on each parcel of Taxable Public Property, up to 100% of the maximum special tax that was previously levied on the parcel for such fiscal year until the amount levied equals the Special Tax Requirement.

Fiscal Year 2020-21 Special Tax Levy

There are 461 units of Residential Property taxed for fiscal year 2020-21. Applying the maximum special tax rates to these units will produce \$2,745,528 in special tax revenue, assuming no delinquencies. There are also 53 parcels classified as Non-Residential Property. Applying the maximum special tax rates to these parcels will produce another \$59,367 in special tax revenue. The total special tax levied on Developed Property for fiscal year 2020-21 is \$2,804,896, which is insufficient to meet the Special Tax Requirement of \$12,513,778. There were 38 parcels of Undeveloped Property in 2020-21, which encompass a total of 232 acres. Taxing 232 acres at the maximum special tax rate for Undeveloped Property can generate \$5,909,408. This amount, when combined with the amount that can be levied on Developed Property, is still less than the Special Tax Requirement. Therefore, it is necessary to levy the Backup Special Tax at 2.38% of the maximum backup special tax rate to generate the additional \$3,799,473 needed in 2020-21.

A portion of the special taxes, totaling \$3,400,658, was placed on the Secured Property Tax Roll for Placer County. The remaining \$9,113,120 in taxes was not placed on the Secured Property Tax Roll and instead will be billed directly to the property owners.

V. DEVELOPMENT UPDATE

In the past fiscal year, no new building permits were issued for new construction on taxable parcels within the CFD. As of June 1, 2020, building permits have been issued for 461 residential units and certificates of occupancy have been issued for 53 parcels encompassing 301,843 square feet of Non-Residential Property in the CFD (excluding prepaid parcels). Based on the current status of development in CFD No. 1, the following table summarizes the allocation of development to the special tax categories established in the Amended and Restated RMA.

**CFD No. 1
Allocation to Special Tax Categories
For Fiscal Year 2020-21**

Land Use Category	Number of Units/Sq. Ft./Acres*
Single Family Detached Unit	16 Units
Townhome Unit	78 Units
Condominium Unit	367 Units**
Non-Residential Property	301,843 Sq. Ft.
Undeveloped Property	231.84 Acres

* Does not include 12 parcels that have prepaid their special tax obligation.

** Includes 12 Fractional Units.

VI. AUTHORIZED FACILITIES

The Resolution of Formation adopted by CFD No. 1 on May 3, 2005, authorizes the financing of the following facilities:

- Highlands Firehouse
- Trail to Tahoe Rim
- Water Facilities
- Sewer Facilities
- Storage and Maintenance Facilities and Equipment
- Placer County Road Facilities
- Cal Trans Road Facilities
- Investor Owned Utility Facilities
- Other Land Property

As mentioned previously, the CFD is authorized to issue bonded indebtedness up to \$125,000,000. This amount was determined based on the projected level of development and special tax revenues that could be generated within the CFD. Excluding the Series 2014 Refunding Bonds, \$114,715,000 in bonds have been issued to date.

VII. CFD FUNDS

The following funds and accounts were established on behalf of the CFD pursuant to the Trust Indenture (the “Indenture”) between the CSD and Wells Fargo Bank (the “Trustee”). Following is a brief description of the purpose of each fund.

The **Special Tax Fund** is held by the Trustee to receive all special tax revenue and any amounts required by the Trustee to be deposited in it. The Trustee must deposit the special taxes in the Special Tax Fund in accordance with the terms of the Indenture. Funds in the Special Tax Fund shall be transferred to the following accounts in the following order of priority: the Administrative Expense Fund, the Interest Account, the Principal Account, the Redemption Account, the Reserve Account, the Rebate Fund, and the Surplus Fund.

The **Administrative Expense Account** is held by the Trustee and is a subaccount of the Special Tax Fund. Moneys in this account are used to pay administrative expenses. Not less often than annually, the Trustee shall transfer from the Special Tax Fund and deposit in the Administrative Expense Account an amount equal to the Administrative Expense Cap (\$34,320 as of September 2, 2020) and, in addition thereto, from time to time such amounts as necessary to make timely payment of administrative expenses upon the written direction of the CFD.

The **Interest Account and Principal Account** are held by the Trustee and are subaccounts of the Special Tax Fund. Moneys in these accounts are used to pay the interest and principal, respectively, due on the bonds until maturity. On each interest payment date, money is transferred from the Special Tax Fund first to the Interest Account and then to the Principal Account to assure the payment of interest and principal on the bonds will be made when due.

The **Capitalized Interest Subaccounts** for the Series 2005 Bonds and the Series 2006 Bonds are held by the Trustee and are subaccounts of the Interest Account. Monies in the Capitalized Interest Subaccounts will be used to pay debt service on the Series 2005 Bonds through September 1, 2007, and on the Series 2006 Bonds through September 1, 2008. The Capitalized Interest Subaccounts have been closed.

The **Redemption Account** is held by the Trustee and is a subaccount of the Special Tax Fund. Funds, if available, are transferred into the Redemption Account to call bonds for optional redemption. The Trustee shall also transfer from the Acquisition and Construction Fund and deposit in the Redemption Account moneys in the amounts and at times provided in the Indenture.

The **Prepayment Account** is held by the Trustee and is a subaccount of the Special Tax Fund. The portion of any prepayment made that will be used to call bonds is held in the Prepayment Account for the sole purpose of redeeming bonds, provided, however, that the CFD may use moneys deposited in the Prepayment Account to purchase outstanding bonds at public or private sale.

The **Reserve Account** is held by the Trustee and is a subaccount of the Special Tax Fund. Moneys in the Reserve Account shall be used solely for the purpose of (i) paying the principal of, including sinking fund payments, and interest on any bonds when due in the event that the moneys in the Interest Account and the Principal Account are insufficient therefore, (ii) making any required transfer to the Rebate Fund, and (iii) making any required transfer to the Prepayment Account. Whenever moneys are withdrawn from the Reserve Account, the Trustee will deposit funds, if available, into the Reserve Account in the amount needed to restore the amount of such Reserve Account to the Reserve Requirement. The total Reserve Requirement for the Bonds is \$10,783,500, as of June 30, 2020.

The **Rebate Fund** is held by the Trustee and shall contain the Rebate Account and the Alternative Penalty Account therein. All money at any time deposited in the Rebate Account or the Alternative Penalty Account of the Rebate Fund shall be used for payment to the United States Treasury. All amounts on deposit in the Rebate Fund with respect to the Bonds shall be governed by the Indenture and the Tax Certificate for such issue. A Rebate Account and an Alternative Penalty Account has been established in the Rebate Fund for both the Series 2005 Bonds and the Series 2006 Bonds.

The **Acquisition and Construction Fund** shall hold funds exclusively to pay the project costs and costs of issuance. Moneys are deposited into the Acquisition and Construction Fund from the proceeds of bond sales and from the Special Tax Fund as prescribed in the Indenture and pursuant to the Acquisition and Disclosure Agreement. The Acquisition and Construction Fund includes separate Cost of Issuance Accounts, Acquisition Accounts, and a Construction Accounts for both the Series 2005 Bonds and the Series 2006 Bonds.

The **Surplus Fund** is held by the Trustee for the purpose of depositing excess moneys from the Special Tax Fund, after all transfers required by the Indenture have been made, thereto. At the direction of the CFD, moneys deposited in the Surplus Fund shall be transferred by the Trustee, (i) to the Interest Account or the Principal Account, (ii) to the Reserve Account to replenish the Reserve Account to the Reserve Requirement, (iii) to the Administrative Expense Account to the extent that the amounts on deposit in the Administrative Expense Account are insufficient to pay administrative expenses. If, after the foregoing transfers are made, unexpended amounts remain on deposit in the Surplus Fund, the CFD shall apply these amounts to, in its sole discretion, either (i) pay project costs, (ii) to reduce the next fiscal year's special tax levy, or (iii) for any other lawful purpose of the CFD.

Money held in any of the aforementioned funds and accounts will be invested by the Trustee at the direction of the CFD and in conformance with limitations set forth in the Indenture. Investment interest earnings, if any, will generally be applied to the fund for which the investment is made.

X. FORECLOSURE COVENANTS

Covenants of the CSD

Pursuant to Section 53356.1 of the Act, if any delinquency occurs in the payment of the special tax, the CSD may order the institution of a Superior Court action to foreclose the lien therefore within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at judicial foreclosure sale. The CSD on behalf of the CFD has agreed for the benefit of the owners of the Bonds that:

- (i) It will commence judicial foreclosure proceedings against all parcels owned by a property owner where the aggregate delinquent special taxes on such parcels is greater than \$7,500 by the October 1 following the close of each fiscal year in which such special taxes were due, and
- (ii) It will commence judicial foreclosure proceedings against all parcels with delinquent special taxes by the October 1 following the close of each fiscal year in which it received special taxes in an amount which is less than 95% of the total special tax levied for such fiscal year, and
- (iii) It will diligently pursue such foreclosure proceedings until the delinquent special taxes are paid; provided that, notwithstanding the foregoing, the CFD may elect to defer foreclosure proceedings on any parcel which is owned by a delinquent property owner whose property is not, in the aggregate, delinquent in the payment of special taxes for a period of three years or more or in an amount in excess of \$12,000 so long as (1) the amount in the Reserve Account of the Special Tax Fund is at least equal to the Reserve Requirement, and (2) the CFD is not in default in the payment of the principal of or interest on the Bonds. The CFD may, but shall not be obligated to, advance funds from any source of legally available funds in order to maintain the Reserve Account of the Special Tax Fund at the Reserve Requirement or to avoid a default in payment of the Bonds.

XI. SENATE BILL 165 REPORTING REQUIREMENTS

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to Sections 50075.3 and 53411, the chief fiscal officer of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the governing board setting forth the following information.

Section 50075.3

Item (a): Identify the amount of special taxes that have been collected and expended.

The fiscal year 2019-20 special tax levy was \$8,831,229, and \$2,956,531 was collected from property within CFD No. 1. The \$2,956,531 figure is net of 34 parcels that are delinquent a total of \$5,874,698 in payment of the special tax as of May 19, 2020. The amount collected was used to pay debt service in March and September 2020 on the Bonds, County fees for placing a portion of the levy on the tax roll, and administrative costs associated with the CFD.

Item (b): Identify the status of any project required or authorized to be funded by the special taxes.

The construction and acquisition of CFD No. 1 facilities and improvements are ongoing.

Section 53411

Item (a): Identify the amount of bonds that have been collected and expended.

A total of \$56,125,000 in Series 2005 Bonds was issued by the CSD on December 8, 2005. Upon issuance of the bonds, \$5,178,589 from bond proceeds was deposited into the Capitalized Interest Account, all of which has been expended on debt service payment for the bonds. Additionally, \$22,654,000 from bond proceeds was deposited into the Acquisition Account to acquire CFD No. 1 improvements from the developer and \$21,233,000 from bond proceeds was deposited into the Construction Account to fund public improvements. An additional \$1,252,858 was used to pay the costs of issuing the bonds. Approximately \$5,171,211 was deposited in the Reserve Account, and \$25,500 was deposited in the Administrative Expense Account to be used for administrative expenses. The remaining \$547,219 was for the Underwriter's Discount.

A total of \$58,590,000 in Series 2006 Bonds was issued by the CSD on December 7, 2006. Upon issuance of the bonds, \$5,801,953 from bond proceeds was deposited into the Capitalized Interest Account, all of which has been expended on debt service payment for

the bonds. Another \$39,716,000 from bond proceeds was deposited into the Acquisition Account to acquire CFD No.1 improvements from the developer and \$7,284,000 from bond proceeds was deposited into the Construction Account to fund public improvements. An additional \$361,250 was used to pay the costs of issuing the bonds, and the remaining \$5,098,458 was deposited in the Reserve Account.

Portions of the Series 2005 Bonds and Series 2006 Bonds were refunded and defeased on July 30, 2014 by the issuance of \$19,320,000 in Series 2014 Refunding Bonds. An additional \$1,042,944 in original issue premium and \$1,727,714 in available moneys from the refunded bonds left a total of \$22,090,658 in bond proceeds to be expended. Upon issuance of the bonds, \$21,661,303 from bond proceeds was deposited into the refunding escrow to be used to redeem portions of the outstanding Series 2005 Bonds and Series 2006 Bonds. An additional \$60,300 was deposited into the Reserve Fund. Approximately \$165,099 was used to pay the costs of issuing the bonds, and the remaining \$203,956 was used for the Underwriter's Discount.

Item (b): Identify the status of any project required or authorized to be funded from bond proceeds.

The construction and acquisition of CFD No. 1 facilities and improvements are ongoing.

XII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds.

XIII. ARBITRAGE REBATE CALCULATIONS

The CSD has covenanted in the Indenture to comply with requirements for rebate of excess investment earnings from Bonds proceeds to the federal government to the extent applicable and acknowledges that the first payment of excess investment earnings, if any, is required to be rebated to the federal government no later than sixty (60) days after the end of the fifth (5th) bond year for the Bonds.

The five-year arbitrage and yield restriction analysis for the Series 2005 Bonds has been prepared by Goodwin Consulting Group, Inc. As a result of the analysis, the CSD has no rebatable arbitrage or yield reduction payments to make to the Internal Revenue Service with respect to these bonds as of the five-year computation period ending September 1, 2015.

The five-year arbitrage rebate calculation for the Series 2006 Bonds was also prepared by Goodwin Consulting Group, Inc. The analysis showed that the CSD has no rebatable arbitrage or yield reduction payments to make to the Internal Revenue Service with respect to the Series 2006 Bonds as of the five-year computation period ending September 1, 2016.

The five-year arbitrage rebate calculation for the Series 2014 Bonds was also prepared by Goodwin Consulting Group, Inc. The analysis showed that the CSD has no rebatable arbitrage or yield reduction payments to make to the Internal Revenue Service with respect to the Series 2014 Bonds as of the five-year computation period ending September 1, 2018.

B. DATA FOR CFD ADMINISTRATION

At any time throughout the Fiscal Year, when a Subdivision/Reconfiguration Map is recorded or property is otherwise reconfigured, the Administrator shall apply the applicable subsections in Section C below to determine the Maximum Special Tax for each Parcel created by the subdivision or reconfiguration. On an ongoing basis, the Administrator shall keep an updated record of the current Assessor’s Parcel numbers for all Parcels of Taxable Property in CFD No. 1 and the corresponding Maximum Special Tax for each Parcel.

On or about July 1 of each Fiscal Year, the Administrator shall also determine: (i) whether each Assessor's Parcel of Taxable Property is a Designated Developed Parcel or a Future Development Parcel, (ii) for Future Development Parcels, whether each Parcel is Developed Property or Undeveloped Property, (iii) for Residential Property, the number and Square Footage of Single Family Detached Units, Townhome Units, and Condominium Units developed or anticipated to be developed on each Parcel, (iv) for Non-Residential Property, the Square Footage on each Parcel, and (v) the Special Tax Requirement. In each Fiscal Year, the Administrator shall make the final determination of the land use, Residential Units, and Square Footage on each Parcel.

In any Fiscal Year, if it is determined that (i) a Subdivision/Reconfiguration Map for a portion of property in CFD No. 1 was recorded after the last date upon which the Assessor will incorporate the newly-created Parcels into the then current tax roll, and (ii) because of the date the Subdivision/Reconfiguration Map was recorded, the Assessor does not yet recognize the new Parcels created by the Subdivision/Reconfiguration Map, the Administrator shall calculate the Special Tax for the property affected by recordation of the Subdivision/Reconfiguration Map by determining the Special Tax that applies separately to each newly-created Parcel, then applying the sum of the individual Special Taxes to the original Parcel that was subdivided by recordation of the Subdivision/Reconfiguration Map.

C. MAXIMUM SPECIAL TAX

1. Designated Developed Parcels

The Maximum Special Tax for each Designated Developed Parcel in CFD No. 1 for Fiscal Year 2011-12 is identified in Attachment 1 of this RMA and shall not, regardless of development status, parcel configuration, or reduction in Square Footage, be decreased in any future Fiscal Year and shall not be increased in any future Fiscal Year by more than two percent (2%) of the Maximum Special Tax in effect in the prior Fiscal Year.

2. Future Development Parcels

The Maximum Special Tax for each Future Development Parcel in CFD No. 1 at the time this RMA was adopted by the Board of Directors is identified in Attachment 2. The Maximum Special Tax for each such Parcel will be reallocated and recalculated when (i) the Parcel subdivides or is reconfigured, (ii) a Building Permit is issued for new construction of a Single Family Detached Unit or Townhome Unit, (iii) a Condominium Plan is recorded that creates Condominium Units, (iv) a certificate of occupancy is issued for a non-residential structure, or (v) any other change occurs to the Parcel that requires a recalculation of the Maximum Special Tax pursuant to any subsection of this Section C.2. At such time, the Administrator will apply the appropriate subsection below to determine the revised Maximum Special Tax for the Parcel or Parcels.

a. Subdivision or Reconfiguration of Residential Property

When all or any portion of a Future Development Parcel is subdivided or reconfigured, and all of the newly-created Parcels of Taxable Property are determined to be Residential Property, the Administrator shall apply the following steps to determine the Maximum Special Tax for each newly-created Parcel. Notwithstanding the foregoing, if a Parcel of Taxable Property is subdivided due to recordation of a Condominium Plan, Section C.2.b.iii shall be used to determine the Maximum Special Tax for each Condominium Unit within the Condominium Plan.

For purposes of this Section C.2.a, the following Base Special Tax rates shall be used:

**TABLE 1
BASE SPECIAL TAX**

Land Use Category	Base Special Tax Fiscal Year 2011-12*
Single Family Detached Unit	\$6,000 per Unit
Townhome Unit	\$5,500 per Unit
Condominium Unit	\$5,000 per Unit
* On July 1, 2012 and each July 1 thereafter, the Base Special Taxes shown above shall be increased by two percent (2%) of the Base Special Tax amount in effect in the prior Fiscal Year.	

Step 1: Determine whether each Parcel is entitled to be developed with Single Family Detached Units, Townhome Units, or Condominium Units. In making this determination, the Administrator will coordinate with the NCSD and property owner(s), will review Anticipated Development Plans, and will reference any other source of information the Administrator determines to be useful to estimate the number of Residential Units expected to be developed on each Parcel. The Administrator shall make the final determination of the type and number of Residential Unit(s) entitled to be developed on each Parcel for purposes of calculating the applicable Special Tax.

Step 2: Multiply the applicable Base Special Tax by the number of expected Residential Units on each newly-created Parcel.

Step 3: Sum the amount determined in Step 2 for all Parcels created by the subdivision or reconfiguration.

Step 4: Compare the amount calculated in Step 3 to the Maximum Special Tax that applied to the original Parcel that was subdivided or reconfigured. Based on this comparison:

4a: If the amount from Step 3 is equal to or greater than the original Maximum Special Tax for the Parcel that was subdivided or reconfigured, the new Maximum Special Tax for each newly-created Parcel will be the amount determined in Step 2.

4b: If the amount from Step 3 is less than the original Maximum Special Tax for the Parcel that was subdivided or reconfigured, the new Maximum Special Tax for each newly-created Parcel will be determined by increasing the amount calculated for each Parcel in Step 2 Proportionately until the sum of the amount that can be collected from all the newly-created Parcels is equal to the original Maximum Special Tax for the Parcel that was subdivided or reconfigured.

b. Recordation of a Condominium Plan or Issuance of a Building Permit for Residential Property

When a Condominium Plan records that creates Condominium Units, or when a Building Permit is issued for any Residential Unit(s) which will not, prior to construction, be included within a recorded Condominium Plan, the Administrator shall apply the appropriate subsection below.

For purposes of this Section C.2.b, the following Target Special Taxes will be used:

**TABLE 2
TARGET SPECIAL TAX**

Square Footage of Residential Unit	Target Special Tax Fiscal Year 2011-12*
Less than 1,001 square feet	\$3,500 per Unit
1,001 to 1,400 square feet	\$4,000 per Unit
1,401 to 1,800 square feet	\$4,500 per Unit
1,801 to 2,200 square feet	\$5,000 per Unit
2,201 to 2,600 square feet	\$5,500 per Unit
2,601 to 3,000 square feet	\$6,000 per Unit
3,001 to 3,400 square feet	\$6,500 per Unit
3,401 to 4,000 square feet	\$7,000 per Unit
4,001 to 4,600 square feet	\$7,500 per Unit
4,601 to 5,200 square feet	\$8,000 per Unit
5,201 to 6,000 square feet	\$8,500 per Unit
6,001 to 7,000 square feet	\$9,000 per Unit
7,001 to 8,000 square feet	\$9,500 per Unit
Greater than 8,000 square feet	\$10,000 per Unit
<p><i>* On July 1, 2012 and on each July 1 thereafter, the Target Special Taxes shown above shall be increased by two percent (2%) of the Target Special Tax rate in effect in the prior Fiscal Year.</i></p>	

i. Single Family Detached Units

When a Building Permit is issued for a Single Family Detached Unit, the Administrator will identify (i) the expected Square Footage of the Single Family Detached Unit as reflected on the Building Permit, and (ii) the corresponding Target Special Tax. If the Target Special Tax is less than the current Maximum Special Tax that is assigned to the Parcel, the existing Maximum Special Tax will continue to apply to the Parcel. If the Target Special Tax is greater than the existing Maximum Special Tax for that Parcel, the Target Special Tax will be the new Maximum Special Tax for the Parcel.

ii. Townhome Units

When a Building Permit is issued for a Townhome Unit, the Administrator will identify (i) the expected Square Footage of the Townhome Unit as reflected on the Building Permit, and (ii) the corresponding Target Special Tax. If the Target Special Tax is less than the current Maximum Special Tax that is assigned to the Parcel, the existing Maximum Special Tax will continue to apply to the Parcel. If the Target Special Tax is greater than the existing Maximum Special Tax for that Parcel, the Target Special Tax will be the new Maximum Special Tax for the Parcel.

Notwithstanding the foregoing, if a property owner is issued Building Permits for multiple Townhome Units prior to June 1 of any Fiscal Year, the property owner may, by June 30 of that Fiscal Year, send a written request to the NCSD to compare (i) the aggregate Maximum Special Tax for some or all of such Townhome Units to (ii) the amount that would be generated if each Townhome Unit were instead assigned the applicable Target Special Tax based on the Square Footage of each unit. If the sum of the Target Special Taxes for the Townhome Units exceeds the aggregate Maximum Special Tax for the Parcels, the Target Special Tax shall be the new Maximum Special Tax for each Parcel. If the sum of the Target Special Taxes for the Townhome Units is less than the aggregate Maximum Special Tax for the Parcels, the Administrator shall increase the Target Special Tax for each Townhome Unit Proportionately until the sum of the adjusted Target Special Taxes is equal to the aggregate Maximum Special Tax for the Parcels.

iii. Condominium Units

iii(a). Recordation of a Condominium Plan

When a Condominium Plan is recorded that creates Condominium Units, the Administrator shall apply the following steps to determine the Maximum Special Tax for each Condominium Unit:

- Step 1:** Determine the Square Footage of each Condominium Unit for which the Condominium Plan was recorded by reference to the Condominium Plan or as otherwise provided by the land surveyor who stamped the Condominium Plan.
- Step 2:** Calculate the amount that could be collected from the original Parcel on which the Condominium Plan was recorded if the Target Special Tax was applied to each Condominium Unit.
- Step 3:** Compare the amount calculated in Step 2 to the Maximum Special Tax assigned to the original Parcel on which the Condominium Plan was recorded (or such other amount that applies to the Condominium Plan if Section C.2.f is applicable to the Parcel). Based on this comparison:

- 3a:** If the amount from Step 2 is equal to or greater than the current Maximum Special Tax assigned to the original Parcel on which the Condominium Plan was recorded, the Target Special Tax shall be the new Maximum Special Tax for each Condominium Unit within the Condominium Plan.
- 3b:** If the amount from Step 2 is less than the existing Maximum Special Tax for the original Parcel on which the Condominium Plan was recorded, the new Maximum Special Tax for each Condominium Unit shall be the Target Special Tax for each Condominium Unit increased Proportionately until the amount that can be collected from all the Condominium Units is equal to the existing Maximum Special Tax for the original Parcel on which the Condominium Plan was recorded.

If, in any future Fiscal Year, an amended Condominium Plan is recorded, the Administrator shall once again apply the steps set forth above to recalculate the Maximum Special Tax for each Condominium Unit based on the Square Footage of each unit as set forth in the amended Condominium Plan.

iii(b). Issuance of a Building Permit

If a Building Permit is issued for construction of a structure that includes Condominium Units and a Condominium Plan has not been recorded, the Maximum Special Tax for the Parcel shall not be recalculated pursuant to the steps in Subsection iii(a) above unless and until a Condominium Plan records.

iv. Apartment Building

When a Building Permit is issued for an Apartment Building, the Maximum Special Tax for the Parcel shall not be recalculated and will be the Maximum Special Tax previously assigned to the Parcel on which the Building Permit was issued.

c. Subdivision or Reconfiguration of Non-Residential Property

When all or any portion of a Future Development Parcel is subdivided or reconfigured, and all of the newly-created Parcels of Taxable Property are determined to be Non-Residential Property, the Administrator shall apply the following steps to determine the Maximum Special Tax for each newly-created Parcel.

For purposes of this Section C.2.c and Section C.2.d, the following Base Non-Residential Special Taxes will be used:

TABLE 3
BASE NON-RESIDENTIAL SPECIAL TAX

Fiscal Year	Base Non-Residential Special Tax
2011-12	\$0.243 per Square Foot
2012-13	\$0.248 per Square Foot
2013-14	\$0.253 per Square Foot
2014-15	\$0.373 per Square Foot
2015-16 and Each Fiscal Year Thereafter	Increased by two percent (2%) of the Base Non-Residential Special Tax in effect in the prior Fiscal Year.

- Step 1:** For each Parcel of Non-Residential Property, determine the estimated Square Footage that is expected to be developed. In making this determination, the Administrator will coordinate with the NCSD and property owner(s), will review Anticipated Development Plans, and will reference any other source of information the Administrator determines to be useful to estimate the Square Footage on each Parcel. The Administrator shall make the final determination regarding the anticipated non-residential Square Footage for each Parcel.
- Step 2:** Multiply the applicable Base Non-Residential Special Tax from Table 3 by the expected Square Footage on each newly-created Parcel.
- Step 3:** Sum the amount determined in Step 2 for all Parcels created by the subdivision or reconfiguration.
- Step 4:** Compare the amount calculated in Step 3 to the Maximum Special Tax that applied to the Parcel that was subdivided or reconfigured. Based on this comparison:
- 4a:** If the amount from Step 3 is equal to or greater than the original Maximum Special Tax for the Parcel that was subdivided or reconfigured, the new Maximum Special Tax for each newly-created Parcel will be the amount determined in Step 2.
 - 4b:** If the amount from Step 3 is less than the original Maximum Special Tax for the Parcel that was subdivided or reconfigured, the new Maximum Special Tax for each newly-created Parcel will be determined by increasing the amount calculated for each Parcel in Step 2 Proportionately until the sum of the amount that can be collected from all the newly-created Parcels is equal to the original

Maximum Special Tax for the Parcel that was subdivided or reconfigured.

d. Issuance of a Certificate of Occupancy on Parcels of Non-Residential Property

When a certificate of occupancy is issued for a non-residential structure on a Parcel, the Maximum Special Tax for the Parcel shall be the greater of (i) the existing Maximum Special Tax assigned to the Parcel or (ii) the amount determined by multiplying the Square Footage reflected on the certificate of occupancy (or if the Square Footage is not reflected on the certificate of occupancy, the Administrator shall use any permit, plan, or other such document that reflects the Square Footage) by the Base Non-Residential Special Tax per Square Foot identified in Table 3. The Maximum Special Tax for the Parcel shall not be decreased in any future Fiscal Year, but such amount may be increased if additional Square Footage is added on the Parcel.

e. Subdivision or Reconfiguration of Parcels that Include Residential Property and Non-Residential Property

When all or any portion of a Future Development Parcel is subdivided or reconfigured, and the newly-created Parcels of Taxable Property include both Residential Property and Non-Residential Property, the Administrator shall apply the following steps to determine the Maximum Special Tax for each newly-created Parcel:

Step 1: Determine the number of Residential Units and non-residential Square Footage (or both) on each Parcel. In making this determination, the Administrator will coordinate with the NCSD and property owner(s), will review Anticipated Development Plans, and will reference any other source of information the Administrator determines to be useful to estimate the number of Residential Units and/or non-residential Square Footage expected to be developed on each Parcel. The Administrator shall make the final determination regarding the type and number of Residential Unit(s) and non-residential Square Footage entitled to be developed on each Parcel.

Step 2: Multiply the applicable Base Special Tax from Table 1 by the number of expected Residential Units and multiply the Base Non-Residential Special Tax from Table 3 by each expected non-residential Square Foot.

Step 3: Sum the amount determined in Step 2 for all Parcels created by the subdivision or reconfiguration.

Step 4: Compare the amount calculated in Step 3 to the Maximum Special Tax that applied to the original Parcel that was subdivided or reconfigured. Based on this comparison:

4a: If the amount from Step 3 is equal to or greater than the Maximum Special Tax that applied to the Parcel that was subdivided or

reconfigured, the new Maximum Special Tax shall be the Base Special Tax for each Residential Unit and the Base Non-Residential Special Tax for each non-residential Square Foot.

- 4b:** If the amount from Step 3 is less than the Maximum Special Tax that applied to the Parcel that was subdivided or reconfigured, the Administrator shall determine whether the change in residential or non-residential land uses caused the reduction. If residential land uses caused the reduction, the Maximum Special Tax for all the residential land uses shall be the Base Special Tax for each Residential Unit increased Proportionately until the amount that can be collected from all land uses on the newly-created Parcels is equal to the Maximum Special Tax that applied to the Parcel that was subdivided or reconfigured. If non-residential land uses caused the reduction, the Maximum Special Tax for all the non-residential Square Footage shall be the Base Non-Residential Special Tax for each Square Foot increased Proportionately until the amount that can be collected from all land uses on the newly-created Parcels is equal to the Maximum Special Tax that applied to the Parcel that was subdivided or reconfigured.

If an individual Parcel is expected to include both Residential Units and non-residential Square Footage, the Maximum Special Tax shall be the sum of the individual amounts determined for each land use in accordance with the steps above.

f. Issuance of a Building Permit for a Structure that Includes Residential Property and Non-Residential Property

If an Assessor's Parcel includes both Non-Residential Property and Residential Units, a Maximum Special Tax shall be assigned to such Parcel that is equal to the sum of the Maximum Special Tax assigned separately to the Residential Units and non-residential Square Footage on the Parcel. If a Building Permit is issued for a structure that is expected to include both Residential Property and non-residential Square Footage, and separate Assessor's Parcel numbers have been assigned to the Parcels of Residential Property, those Parcels of Residential Property shall be taxed as Developed Property in Step 1 of Section D below, and the Parcels of Non-Residential Property shall continue to be taxed as Undeveloped Property until such time as a certificate of occupancy is issued for the non-residential Square Footage.

g. Future Changes in Square Footage or Parcel Configurations

If, in any future Fiscal Year, either (i) a subsequent building permit is issued which adds Square Footage to a Residential Unit, or (ii) a Building Permit is issued for a separate residential dwelling unit on the same Parcel as an existing Residential Unit, the additional Square Footage shall be combined with the Square Footage from the prior Building Permit for purposes of calculating the Maximum Special Tax for the Parcel. The Administrator will identify the corresponding Target Special Tax based on the increased

Square Footage, and if the new Target Special Tax is less than the existing Maximum Special Tax for the Parcel, the existing Maximum Special Tax will continue to apply to the Parcel. If the new Target Special Tax is greater than the existing Maximum Special Tax for the Parcel, the Target Special Tax will be the new Maximum Special Tax for the Parcel.

If two or more Parcels are combined into one Parcel, the Maximum Special Tax of the new Parcel cannot be less than the sum of the Maximum Special Tax for the Parcels that were combined. For example, if a Parcel with a Single Family Detached Unit is combined with a Parcel of Undeveloped Property, the Maximum Special Tax for the newly-created Parcel will be the sum of (i) the Maximum Special Tax of the Parcel with a Single Family Detached Unit and (ii) the Maximum Special Tax of the Parcel of Undeveloped Property.

If a Parcel of Developed Property is split into multiple Parcels, the new Parcel on which the structure is located will continue to have the same Maximum Special Tax. The other newly-created Parcel(s) will be assigned a Maximum Special Tax based on the development potential of the Parcel by applying the Base Special Tax rates in Table 1 for Residential Property and/or the Base Non-Residential Special Tax rates in Table 3 for Non-Residential Property. The Administrator shall make the final determination of the assignment of the Maximum Special Tax.

h. Expiration of Building Permits

If a Building Permit that was issued for a Single Family Unit or Townhome Unit expires prior to commencement or completion of construction on the Parcel, the Parcel shall continue to be taxed as Developed Property in future Fiscal Years subject to the Maximum Special Tax that was calculated for the Parcel when the initial Building Permit was issued. Notwithstanding the foregoing, if a subsequent Building Permit is issued for construction on the Parcel, the Maximum Special Tax for the Parcel shall be the greater of the Maximum Special Tax based on the initial Building Permit and the Maximum Special Tax based on any subsequent Building Permit that is issued.

i. Transfer of the Maximum Special Tax Between Parcels of Undeveloped Property

If the number or type of planned Residential Units or non-residential Square Footage is transferred between Parcels of Undeveloped Property within the CFD, the NCS D may, in its sole discretion, allow for a transfer of all or a portion of the Maximum Special Tax from one Parcel to another. Such a transfer shall only be allowed if (i) all adjustments are agreed to in writing by the affected property owners and the NCS D, and (ii) after the transfer, the total Maximum Special Tax that can be collected from the Parcels involved in the transfer is at least equal to the amount that could have been collected from the Parcels prior to the transfer.

j. Transfer of Taxable Property to a Homeowners or Property Owners Association

If a Parcel of Taxable Property with an assigned Maximum Special Tax is transferred to a homeowners association or property owners association and the Special Tax obligation for the Parcel is not prepaid prior to the transfer, the Parcel shall thereafter be classified as Undeveloped Property and shall be subject to taxation pursuant to Step 3 in Section D.

k. Property With No Assigned Maximum Special Tax Becomes Developed Property

If the Administrator determines that a Building Permit has been issued prior to June 1 of the preceding Fiscal Year for one or more Residential Units on a Parcel that had not previously been assigned a Maximum Special Tax, the Administrator shall use the applicable Target Special Tax rates identified in Table 2 above based on the Square Footage of the Residential Unit(s) to determine the Maximum Special Tax for the Parcel. Additionally, if the Administrator determines that a certificate of occupancy has been issued prior to June 1 of the preceding Fiscal Year for non-residential Square Footage on a Parcel that had not previously been assigned a Maximum Special Tax, the Administrator shall multiply the Base Non-Residential Special Tax rate identified in Table 3 above by the non-residential Square Footage reflected on the certificate of occupancy (or if the Square Footage is not reflected on the certificate of occupancy, the Administrator shall use any permit, plan, or other such document that reflects the Square Footage) to determine the Maximum Special Tax for the Parcel.

The subsections set forth in this Section C.2 are intended to capture all circumstances that may occur relative to development of Parcels in CFD No. 1. Ultimately, regardless of the combination of land uses or development status on a Parcel, the Maximum Special Tax assigned in Attachment 2 to the initial Future Development Parcels, or subsequently assigned to a Future Development Parcel after subdivision, reconfiguration, or development has taken place, may not be decreased. The Administrator shall make the final determination as to the allocation of Maximum Special Taxes among Parcels created by subdivision and development of the Assessor's Parcels identified in Attachment 2.

3. *Backup Special Tax*

If, in any Fiscal Year, it is determined that additional revenue is needed in order to meet the Special Tax Requirement pursuant to Step 4 in Section D, the Backup Special Tax shall be levied on all Parcels of Undeveloped Property. The Backup Special Tax shall be \$576,595.16 per Acre for Undeveloped Property in Fiscal Year 2011-12. On July 1, 2012 and on each July 1 thereafter, the Backup Special Tax shall be increased by two percent (2%) of the Backup Special Tax in effect in the prior Fiscal Year.

D. METHOD OF LEVY OF THE SPECIAL TAX

Each Fiscal Year, the Special Tax shall be levied according to the steps outlined below:

- Step 1:** In any Fiscal Year from Fiscal Year 2011-12 through Fiscal Year 2024-25 in which the full Purchase Price has not yet been paid, the Special Tax shall be levied on each Parcel of Developed Property that is Residential Property at 100% of the Maximum Special Tax for each Parcel for such Fiscal Year. Subject to the provisions of the paragraph following Step 4, beginning the earlier of (i) the Fiscal Year after the Fiscal Year in which the entire Purchase Price has been paid, or (ii) Fiscal Year 2025-26, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property that is Residential Property up to 100% of the Maximum Special Tax for Residential Property for such Fiscal Year until the amount levied equals the Special Tax Requirement for the Fiscal Year.
- Step 2:** If additional revenue is needed after Step 1 in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property that is Non-Residential Property up to 100% of the Maximum Special Tax for Non-Residential Property for such Fiscal Year until the amount levied equals the Special Tax Requirement for the Fiscal Year.
- Step 3:** If additional revenue is needed in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax for such Fiscal Year until the amount levied equals the Special Tax Requirement for the Fiscal Year.
- Step 4:** If additional revenue is needed after Step 3 in order to meet the Special Tax Requirement, the Backup Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Backup Special Tax for such Fiscal Year until the amount levied equals the Special Tax Requirement for the Fiscal Year.
- Step 5:** If additional revenue is needed after Step 4 in order to meet the Special Tax Requirement, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Public Property, exclusive of property exempt from the Special Tax pursuant to Section F below, up to 100% of the Maximum Special Tax that was previously levied on the Parcel for such Fiscal Year until the amount levied equals the Special Tax Requirement for the Fiscal Year.

Pursuant to Section 53321 (d) of the Act, the Special Tax levied against a Parcel used for private residential purposes shall under no circumstances increase more than ten percent (10%) as a consequence of delinquency or default by the owner of any other Parcel or Parcels and shall, in

no event, exceed the Maximum Special Tax in effect for the Fiscal Year in which the Special Tax is being levied.

E. COLLECTION OF SPECIAL TAX

The Special Taxes for CFD No. 1 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that prepayments are permitted as set forth in Section G below and provided further that the NCSD may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner, and may collect delinquent Special Taxes through foreclosure or other available methods. If Special Taxes are not paid by the date specified by the NCSD, the Special Taxes will be subject to the same penalties and interest as if they had been levied on the County's property tax roll. If, in any Fiscal Year, a Special Tax is to be levied on Fractional Units within the CFD, such Special Tax may be billed either directly to individual fractional share owners or to a homeowners association, which shall then bill the individual fractional share owners; non-payment of Special Taxes billed by the homeowners association shall result in interest and penalties, and the fractional ownership shall be subject to foreclosure proceedings as set forth in the Bond covenants.

The Special Tax shall be levied and collected until principal and interest on Bonds have been repaid, NCSD's costs of constructing or acquiring Authorized Facilities from Special Tax proceeds have been paid, and all Administrative Expenses have been reimbursed. However, in no event shall a Special Tax be levied after Fiscal Year 2045-46.

F. EXEMPTIONS

Notwithstanding any other provision of this RMA, no Special Tax shall be levied on: (i) Public Property except Taxable Public Property, (ii) Parcels that have prepaid the Special Tax obligation and had a Release of Special Tax Lien recorded against the property, (iii) Parcels that are owned by a public utility for an unmanned facility, (iv) Parcels that are subject to an easement that precludes any other use on the Parcels, and (v) Parcels of Ski Property.

G. PREPAYMENT OF SPECIAL TAX

The following definitions apply to this Section G:

“Outstanding Bonds” means all Previously Issued Bonds which remain outstanding, with the following exception: if a Special Tax has been levied against, or already paid by, an Assessor's Parcel making a prepayment, and a portion of such Special Tax will be used to pay a portion of the next principal payment on the Bonds that remain outstanding (as determined by the Administrator), that next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

“Previously Issued Bonds” means all Bonds that have been issued on behalf of the CFD prior to the date of prepayment.

The Special Tax obligation applicable to an Assessor’s Parcel in the CFD may be prepaid and the obligation of the Assessor’s Parcel to pay the Special Tax permanently satisfied as described herein, provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel intending to prepay the Special Tax obligation shall provide the NCS D with written notice of intent to prepay. Within 30 days of receipt of such written notice, the NCS D or its designee shall notify such owner of the prepayment amount for such Assessor’s Parcel. Prepayment must be made not less than 75 days prior to any redemption date for Bonds to be redeemed with the proceeds of such prepaid Special Taxes. The Prepayment Amount shall be calculated as follows: (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Defeasance Requirement
plus	Administrative Fees and Expenses
less	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1.** Compute the total Maximum Special Tax that could be collected from the Assessor’s Parcel prepaying the Special Tax in the Fiscal Year in which prepayment would be received by the NCS D.
- Step 2.** Divide the Maximum Special Tax computed pursuant to Step 1 by the lesser of: (i) \$7,286,200 in Fiscal Year 2011-12, or for each future Fiscal Year, this amount increased by 2%; or (ii) the Maximum Special Tax that could be collected from the entire CFD in the Fiscal Year in which the prepayment would be received by the NCS D.
- Step 3.** Multiply the quotient computed pursuant to Step 2 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the **“Bond Redemption Amount”**).
- Step 4.** Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the **“Redemption Premium”**).
- Step 5.** Compute the amount needed to pay interest on the Bond Redemption Amount starting with the first Bond interest payment date after which the prepayment has been received until the earliest redemption date for the Outstanding Bonds, which, depending on the Bond offering document, may be as early as the next interest payment date.

- Step 6:** Compute the amount of interest the NCSD reasonably expects to derive from reinvestment of the Bond Redemption Amount plus the Redemption Premium from the first Bond interest payment date after which the prepayment has been received until the redemption date for the Outstanding Bonds.
- Step 7:** Take the amount computed pursuant to Step 5 and subtract the amount computed pursuant to Step 6 (the “*Defeasance Requirement*”).
- Step 8.** Determine the costs of computing the prepayment amount, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the “*Administrative Fees and Expenses*”).
- Step 9.** If and to the extent so provided in the indenture pursuant to which the Outstanding Bonds to be redeemed were issued, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “*Reserve Fund Credit*”).
- Step 10.** The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 4, 7, and 8, less the amount computed pursuant to Step 9 (the “*Prepayment Amount*”).
- Step 11.** From the Prepayment Amount, the amounts computed pursuant to Steps 3, 4, and 7 shall be deposited into the appropriate fund as established under the indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to Step 8 shall be retained in the account or fund that is established to pay administrative expenses of CFD No. 1.

A partial prepayment may be made in an amount equal to any percentage of full prepayment desired by the party making a partial prepayment, provided however that the partial prepayment must be in an amount sufficient to pay off Bonds in \$5,000 increments. The Maximum Special Tax that can be levied on an Assessor’s Parcel after a partial prepayment is made is equal to the Maximum Special Tax that could have been levied prior to the prepayment, reduced by the percentage of a full prepayment that the partial prepayment represents, all as determined by or at the direction of the Administrator.

H. INTERPRETATION OF SPECIAL TAX FORMULA

The NCSD reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning Special Taxes. In addition, the interpretation and application of any section of this document shall be left to the NCSD’s discretion. Interpretations may be made by the NCSD by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this RMA.
