

JOB ANNOUNCEMENT: NORTHSTAR FIRE DEPARTMENT Seasonal Fire & Life Safety Inspector

The Northstar Fire Department is accepting applications for a Seasonal Fire & Life Safety Inspector

Northstar Fire Department

The Northstar Fire Department (NFD) is an “all-risk” department. It provides fire suppression, fire prevention, rescue, public education, public assistance, and advanced life support. NFD is a small, progressive department located in the community of Northstar at the Northstar Ski Resort, six miles north of Lake Tahoe in California. NFD is a non-transporting ALS provider. In 1972 the department began serving the Northstar community. Its boundaries cover approximately 5 square miles. The sphere of influence is approximately 18 square miles. NFD operates as an independent special district under the Northstar Community Services District (NCSD). The NCSD is managed by a general manager and a five-member board of directors.

Northstar Fire Department has two stations, 18 full-time employees and eight seasonal employees.

The Philosophy

The Northstar Fire Department employees care about the community and fellow employees. The community is highly supportive of the fire department. The department takes great pride in offering excellent and caring service that goes above and beyond its customers' expectations. Visit NFD's website for more information:
www.northstarcsd.org

Northstar Community Services District is an Equal Opportunity Employer

JOB ANNOUNCEMENT: NORTHSTAR FIRE DEPARTMENT Seasonal Defensible Space Inspector

THE POSITION:

Duties:

Under the supervision of the Community Risk Reduction Chief, the seasonal Fire & Life Safety Inspector will perform, coordinate, plan, and implement fire & life safety inspections – specifically, as it pertains to defensible space, short-term rentals, construction, change-in-use, and annual compliance. Most inspections will be performed without direct supervision. The inspections will follow and adhere to State, County, and Local statutes. The Fire & Life Safety Inspector will maintain records and database information regarding all inspections performed. Other duties may be assigned as needed.

Schedule:

A seasonal Fire & Life Safety Inspector with the Northstar Fire Department will work 40-hours, five days a week. The schedule will include weekends and holidays. A typical work week will be five days a week. This position will be from May 15th to November 15th, 2019. Exact dates subject to change.

Compensation:

A seasonal Fire & Life Safety Inspector will be paid \$20 to \$25 per hour depending on previous experience, skills, education, and certifications. Overtime will be paid at time and a half after working more than 40 hours in a week. Sick time is accrued at 1 hour for every 30 hours worked, to a maximum of 72 hours. There are no other benefits such as health insurance, health reimbursement account contributions, vacation time, etc.

THE SELECTION/APPLICATION PROCESS:

The Selection Process:

The selection process may include any or all of the following: application review, resume review, reference review, oral testing, written testing, physical testing, and/or a full or partial assessment center. The final appointment is contingent upon a check of past employment, personal references, Chief's interview, passing a district paid pre-employment medical exam, background check, and a drug/alcohol screening.
