INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED

Review the statements below. Check the boxes once the statements have been reviewed.

Plan review turnaround is 7-10 business days from the date plan review fees are paid.

Propane Tank Installation Plan Review - Application

NFD is no longer able to approve plans with conditions. If any of the requirements are missing, plans will not be approved and will be subject to resubmittals and resubmittal fees. All resubmittals trigger a new 7-10 business day turnaround.

Check the requirements to ensure all are met prior to submitting.

A Plot Plan must be submitted electronically.

A Plot Plan conforming to current ordinance regulations.

A plot plan stamped and signed by the appropriate design professional(s).

Applicable building codes and standards must be noted on the cover sheet, including the NFD Amended fire code.

Plot plan must show distance from tank location to neighbor's property line and/or other structures.

Plot plan must show location of the trench and the second stage regulator.

Cut sheets for tank.

Cut sheets for pipe.

Cut sheets for regulator.

Type of fill sand/dirt.

Stake identification colors/location.

All applicable guidelines related to this project have been reviewed. (i.e. LPG Guidelines). Found here: <https://www.northstarcsd.org/Resources>.

All required *notes* have been placed verbatim on the construction plans. (Review NFD Guidelines to determine what notes may be required.)

The county issued project permit number. If the permit issuance checklist is already issued, include with submittal. If not, you will be required to submit a copy to NFD once it is issued.

Plans must be submitted to bolk@northstarcsd.org.

I hereby acknowledge that I have read the Northstar Fire Department's requirements above for plan review. Furthermore, I acknowledge that if any of the requirements are not complied with, the plans/project will fail review and will be subject to resubmittals and resubmittal fees. By signing below, I am verifying that I have met the requirements for this submittal.

Signature _____ Date _____
