## Alternative Materials, Means & Methods Form

The above project does not fully conform to the current California Fire Code. Pursuant to 2019 CFC Chapter 1, Section 104.9, I am requesting approval of an alternative material and/or method of construction to achieve the intent of the provisions of the code and provide at least an equivalent level of protection to that prescribed therein. I understand that approval of this request applies only to this project and shall not be construed as establishing a precedent for other projects. If approved, a copy of this AM&M request form shall be provided on all subsequent plan submittals of this project to NFD and Building Department.
