Review the statements below. Check the boxes once the statements have been reviewed.

Hood & Duct System Plan Review - Application

Plan review turnaround is 7-10 business days from the date plan review fees are paid.

NFD is no longer able to approve plans with conditions. If any of the requirements are missing, plans will not be approved and will be subject to resubmittals and resubmittal fees. All resubmittals trigger a new 7-10 business day turnaround.

Check the requirements to ensure all are met prior to submitting.

A complete set of the construction plans stamped and signed by the design professional(s).

A complete set of the construction plans must be submitted electronically.

Cut sheets for all appliances.

A floor plan with layout of system placement.

Applicable building codes and standards must be noted on the cover sheet, including the NFD Amended fire code.

All applicable guidelines related to this project have been reviewed. (i.e. Fire Extinguishing Systems for Commercial Cooking Operations Guidelines). Found here: <https://www.northstarcsd.org/Resources>.

All required *notes* have been placed verbatim on the construction plans. (Review NFD Guidelines to determine what notes may be required.)

The county issued project permit number. If the permit issuance checklist is already issued, include with submittal. If not, you will be required to submit a copy to NFD once it is issued.

Plans must be submitted to bolk@northstarcsd.org.

I hereby acknowledge that I have read the NFD's requirements above for plan review. Furthermore, I acknowledge that if any of the requirements are not complied with, the plans/project will fail review and will be subject to resubmittals and resubmittal fees. By signing below, I am verifying that I have met the requirements for this submittal.
